

WorldWEIGH

C300 BENCH SCALE

The WorldWEIGH C300 Series Bench Scale is an economical yet robust choice for basic weighing and parts counting. Arriving fully calibrated and ready for use, it supports capacities up to 250 lbs. It features a stainless steel weighing platform, a durable carbon steel base, and includes a stainless steel indicator. Additionally, it offers NTEP approval, ensuring precise and trusted measurements for various industrial applications.

Stainless Steel Platter

Ensures durability and longevity in industrial settings

Overload Protection

Hardware limits movement of scale to prevent damage due to excessive weight

Built-in Rechargeable Battery

Offers up to 70 hours of continuous operation

Adjustable Leveling Feet

Facilitates easy setup and ensures accurate measurements

C300 COUNTING SCALE

FEATURES

- NTEP Approved: COC 12-077A2
- Capacities: 50, 100 and 250 lb
- (1) Single point load cell
- Stainless steel weighing platter
- Carbon steel base frame with black epoxy finish
- Stainless steel bolt-on column for indicator
- 4-point overload protection
- Easy leveling adjustable feet
- BWS Indicator with durable, stainless steel housing and 2" backlit LCD
- Units: kg, lb
- Built-in rechargeable battery with 30 hour operation
- RS-232 computer / printer port
- Simple menu navigation and configuration
- IP65 water resistance rating

FUNCTIONS

- Check Weighing
- Accumulation
- Parts Counting
- Animal Weighing
- Peak Hold functions
